Mevia says

Good story. Great characters. Margaret Daley does a fine job. I enjoy her stories.

Iniki says

AMAZING! The first Christian Romance novel I've read yet... It won't be the last! ^_^!

Kate says

This was a sweet story, and I had fun thinking about the brainstorming sessions that must have gone on with the multiple writers of this series so that there is as much continuity flow as possible! I also enjoyed reading more about the mystery happening at the Tiny Blessings adoption agency, and can't wait to read more.

I appreciated that Anne was honest with Caleb with reference to the issue of faith (or lack thereof). It would have been so easy for her to say that yes, she believed in God (and Jesus) in order to 'get the guy', but she didn't. She was honest with Caleb, even though she knew that would mean that Caleb wouldn't be willing to start a forever relationship with her. So glad though, that in the end, things worked out well!

Melissa says

2.5 stars--LI Tiny Blessings series. Plain woman meets youth pastor.

Kim says

was a good harlequin romance

April Suter says

It has been too long since I read the others in the series to remember the entire story of Tiny Blessings. Caleb and Anne have fallen for each other but she still is wavering over her relationship with God. Dylan, a young foster child, needs a family.

253 pg

Judy says

4th book in Tiny Blessings series.

This was a great read. Different then most Anne was not a Christian to begin with and Caleb is a Youth Pastor dedicated to serving God.

It reminds us to be aware of the Anne and Dylan's in the world and to love and accept them.

Mikayla says

Wow I haven't read this book forever I love this book!!!

Bree says

3.5 stars

Lynnea says

Cheesy, easy read but still good. :)

Becki says

Typical Love Inspired book...not that good but an okay time filler.\n\nCaleb helps Anne find herself and God.\n\nApparently this book comes in the middle of a series. So I definitely was missing some of the details. It rushed things too much at the end, and you still never know who clocked Caleb over the head.
