Our Love is the Realest 2 Shvonne Latrice

Wednesday's shocking confession caught everyone off guard, and placed Jonaya between a rock and a hard place. Forced to choose between being loyal to her best friend and doing what she knows is right, Jonaya becomes quickly convinced of what her next move should be which is what she believes is best for everyone. But while the two best friends are conflicted on whether they should keep a dark secret or be honest, no one is preparing themselves for what will come when Waayil actually does find out the truth.

In part two of Our Love is the Realest, the Goode girls return along with their current and potential significant others. Yikayla has moved on to be with the love her life, Waayil, but how will she react upon finding out the truth about her child's father Roscoe? Jonaya, when she's not dealing with the burden of carrying a secret, is still trying to suppress her feelings for her best friend Nusef. But when she finally realizes that she can no longer deny the truth, will it be too late? Rori is scared of getting hurt after being dragged through the mud by Gavin, and doesn't want to rush things with Eko. Will her hesitance push Eko away forever, or just into the wrong hands? And last, but certainly not least, Dree is living the high life with her new beau Sean, but she will soon learn that dating a man who gets everything he wants at the snap of his fingers, can definitely lead to some unsavory events.

Banger ????

Man this book is full of confused characters! The gels are constantly confused on who they want and then they wanna get jealous when the guys move on ?. I'm happy Sef and Jo are getting it together. The sisters are slowly letting the guys in but they still piss me off. I'm also not liking how Waayil is movin and he better get it together QUICK. Wednesday need more than a shot in the foot, she need a good but whooping!! After that cliffhanger I hope Kay stops all communication with Roscoe. Can't wait for part 3!

Real Messy

These characters are messy. Apparently Roscoe is more of a dog than we all though. He's got babies coming out the wood works. Its amazing Yakalah didn't know anything about her son's father. He's worried about all but Lonan it seems. I'm wondering if Brynn knew they share the same baby daddy because she's kind of stalking Waayil. Rori is sort of naive and acts like she don't know she was date raped. I can't believe she was considering making things work with Sean afterwards. Hopefully she stands by Canyon who's had her back through it all. Why was I feeling Waayil shooting Wednesday? She deserved some type of punishment for her life that almost c lost him his freedom. Yeah, they're all messy but I like it. Now I can't wait to see what happens next. I like how the author stops in the middle of the drama and leaves you wanting more. I'm about to start part 3 right now.

OMG Yikayla and Waayil so much pain drama all the way liven

Yikayla and Waayil struggling to stay true to each other despite the majority of their he obstacles of baby daddy and a wannabe baby momma. Waayil sister Wednesday lieing and malicious act which cause her uncle Harry death. Because of her jealousy of Yikayla and her crush on her brother. Jonay and Nusef finally

admitted their love for each other and try to start a relationship. Nusef is shoot and left for died by Jonay ex-boyfriend Marquise trying to protect her. Rorie and Ecko love triangle with Gavin and crazy Jeni who can take no for answer. Waayil still hasn't told Yikayla about the DNA test. That Alba had documents doctored what women would stoop so low to hang on to a man Waayil to move on with his life she actually pregnant by Garvin and wants Waayil to be her baby daddy. She doesn't want Yikayla and Waayil to be together because she knows he will fight for Yikayla and kill her for lying. All these secrets are going to be revealed which couples survive the back slash. Wednesday is shoot by Waayil he refuses to forgive or talk to her he still angry with her for lying in the results of serving time and killing someone. Dree and Canyon are starting back a relationship and she loves him after the fiasco with Sean raping her by putting something in her drink he get her pregnant and ends up getting a abortion because she didn't know if what happened that night. Dree wasn't ready to be a mother it was to much of a responsibility.

What's done in the dark

How many kids do Roscoe have. I hope Yikayla beat Brynne butt. She's up to now good. Wednesday is just stupid and selfish. Poor Leighton. I know she feels betrayed. Jonaya and Nusef are too cute together. Jenni is crazy. Rori and Eko better watch her. And Gavin hateing butt. I can't wait til Alba's lies catch up to her. Glad Waayil know about the baby. Canyon should've killed Sean nasty self.

Gawddd tha Drama!!!!???

Omggg the drama!!! ? I'm just loving Yikayla & Waayil relationship they keeping it strong. Alba thirsty butt bouta get caught up and don't even know it! She so obsessed with Waayil til it's irritating he don't want u boo move around daM! I'm so happy Jonaya stop fighting the love she have for Nusef and finally have in but I did feel bad for her friend Leighton she did send her off that was messed up! Rori finally let Gavin shiesty butt go n going strong with Eko i wonder if things will work out for em. Wednesday was down bad for what she did but Waayil is really crazy to go to the extreme of what he did her smh I feel bad for her but it's bittersweet i hope they work things out as siblings should.

Wow

First off, when does part 3 come out?!!! Roscoe sure was busy wasn't he? So I'm mad bc I really only like to read a series if it finished or close to being finished so halfway though I went to the end to see if it was to be continued.... SMH I'm mad that I ruined the end for myself! Lol but it was really good. Roscoe is on my nerves wanting every kid but Lonan. I wonder what that is about? Waayil has some serious issues. Not that I wouldn't be mad but he had to do all that to Wednesday? Well I guess I'll stay tuned for part 3!

Marquisha says

Omg

This book is crazy, but in a good way. I love me some Waayil. I hope Alba get what she deserves and the chick from prison. She better now cause trouble for my favorite couple. I'm glad nuseff and jonaya are finally together. Laugton played herself, she knew nuseff didn't want her, it was obvious. Eko need to do something about Jenni ASAP. Poor Wednesday. Let me not get started on Rosco with his community loving self. Yakilah should have smacked Brynn, I think that heffa knew all along. So much drama and I love it.

Mznicki Ervin says

Must Read

Lawd have mercy! I don't know what kind of idiots the girls were dealing with but I'm glad they left them alone to be with ones who they really have feelings for. Kay and Lonan deserved better then what Roscoe was giving and I'm glad his secrets began to come out. Kay really didn't know him as well as she thought he did. I don't trust that chick Brynn though. She seems so sneaky and Kay needs to watch out for her. Wednesday was wrong for what she did and when the secret came out fully I was shocked behind her reasons. Rori was something else. She needed to get herself together because everyone knows who she wanted. She just was scared. I was glad when she finally went after who she wanted because that man truly made her happy! I felt bad for Yil in this book because he found out so much and it pretty much caused him to snap in many ways. He found out a lot of things towards the end and with what was revealed some people better go into hiding. Lol. Dree had her moments. She needed to realize that Canyon was the one for her. How a person treats you and what they have can always be deceiving. Sean was not the man she thought he was. What he did was foul and what he said when he approached her was beyond dirty. I can't wait to see what more is to come because things have gotten real interesting!!

Bianca Jones says

Wow

This book just keep getting better and better. I can't wait to dive into part three to see how this all ends. Wednesday is sick

Promiscuous Book Blog says

I love her books!

This is different then her usual style, and I honestly think this is her best work yet. These characters are all having different issues and their stories are getting real now.

Waayil is about to lose it on everybody lol. I can't wait until the next book.

Loved every minute of it, job well done. Storyline keeps getting more and more intriguing. Very suspenseful and totally captivating that keep drawing you in. Love reading about each of these characters and the drama they have within themselves. Great the way the author takes you inside each character and the Goode sisters and their relationships. Need more character development with Emil cause as of now he's a mystery. Drama, lies, deceit has me hooked and I can't wait for PT.3. Awesome job Shvonne Latrice.

Goode sisters

Great book I can't wait to find out what really going on with Roscoe and all of his shenanigans. Alba is in for a ride awakening trying to play Waayil. I can't wait to see how this series unfolds. Great story Shvonne but I didn't expect anything less from you.

Fiyah ????

Great book, loved it!!! I knew Sean was up to no good, I'm glad he got his butt whipped, bet he won't drug no one else. Alba is gonna mess around and get herself killed messing with Waayil. Wednesday was dead wrong, like who does that???? Waayil is throwed off, he'd really shot her in the foot, lol. Roscoe was just sleeping with everybody, he got kids everywhere. Yikayla, Lonan and Waayil make as great family, I love how he is with the baby. Rebecca, Jenni and Brynn are all up to no good, can't wait for part 3!!!!

YOU DON'T WANT TO MISS THIS ONE

What a wonderful follow-up to OLITR 1. With all that's been revealed about the loves and lives of the Goode sisters and the Christian brothers we are still traveling toward what I know will be a mind-blowing OLITR 3.

Shvonne Latrice is just so good at the not-so-run-of-the-mill love story. She keeps on giving her readers such interestingly cunning and conniving characters 'til you can't wait to see what she'll come up with next.

Don't sleep on this author and her body of work. She has quickly become one of my list of all time favorites.
