DEADLY PURSUIT: Seventy-Second in a Series of Jess Williams Westerns (A Jess Williams Western Book 72) Robert J. Thomas , Nancy Bach (Editor)

Jess is on the hunt for Hank Shelly, which leads him to the spot where a stagecoach robbery took place with two men left dead on the ground. He tracks Shelly for a short while from the scene, but Shelly is covering his tracks well.

That takes him to the town of Holly, where he meets a rich rancher by the name of Orton Ruse. He quickly discovers that Shelly, who had previously worked for the rancher, robbed the stagecoach and took one hundred thousand dollars that belonged to Ruse.

Ruse offers Jess a large cash reward to hunt Shelly down and get his money back. Meanwhile, another man, who was inside the stagecoach when Shelly robbed it, decides to go after Shelly himself for the money.

Their paths cross several times and Jess is not sure if he's a friend or foe, but time will tell as the two men hunt for the elusive Hank Shelly.

Searching

Another interesting,fast moving Bounty Hunter Western from Thomas. The stories are always full of action and suspense, making it hard to stop reading once started. Looking forward to reading number 73 when it becomes available. I highly recommend this author.

D. E. says

The 72nd Novel in the Jess Williams Western Series

RJT has penned another western about the bounty Hunter Jess Williams. Jess is up to his old tricks chasing the bad guys and finding on a few occasions more than just one had guy. The western bad men still think they can best him to the draw. Unfortunately the bad guys, when they try, find they have a rattlesnake by the tail. This is an excellent read for the genre.....DEHS

agnes says

I have read all of Jess and they are very good

I'll gave this a 10 I like is author Robert J Thomas he wrote book over good.Kyle to read a 100 of them.

JACK WHITLEY says

Another good one

Good action throughout, a smart man always wins out over a stupid one good trustworthy final shootout. Didn't see it coming.

Joe says

I've read every one of this series. Yes, this is number 72. It's a light reading western novel about a bounty hunter named Jess Williams.

Dennis F. Hyde says

Deadly Pursuit

I thoroughly enjoy the works of Robert J. Thomas. This book I would rate at near the top. I never tire of Jess Williams exploits. They are just too slow coming off the press. I am waiting with baited breath for the next exciting Jess Williams adventure. You cow pokes will enjoy this book. So, "Giddy Up."

Peter Cornell says

Quick and fun

Quick fun read. Thomas just keeps getting better with each book. I've got them all and am a great Jess Williams fan. Good job Mr. Mayor.

Linda says

Great read

Very exciting story a definite page turner. Great writing Mr Thomas. Keep up the great work. Would highly recommend this series to everyone that enjoys a great western.

Don Dressler says

Love this series

Read all the Jess Williams books, from the beginning. I would suggest you start with book one. Amazing stories. You'll love Jess as I do.

Barbara Lee Wood says

THE HUNT FOR HANK SHELLEY

Another great adventure starring JESS WILLIAMS.

Different characters with vengeance on their minds and hearts all against Jess, because he killed someone's brother, uncle, nephew, cousin, as we all know he tries logic but these people don't want to hear it, they all think they can outdraw Jess, but they learn real quick as they look at the holes that magically appear in their chest and they can't breath anymore...well he warned them of the results...such is the life in West...

Peggy S. Powell says

Another great western from Robert Thomas. Writes a lot like Louis L'Amour.

Anthony R Woods says

Another great hunt.

Jess and team hunt another bad man. Jess saved several people along the way. He helps a sheriff from a gang. There is always a great story with lots of characters.

Jim says

Another excellent novel by this author. I have enjoyed reading all of the Jess Williams adventures and I hope that the author continues to find many more adventures in the future. Yes, I recommend this book to everyone.
