Animal Ark was also another series that I read when younger because of my love for horse stories. Not my favorite series, granted, because there were only say 5 or 6 horse books in a series of 40 or more, and I also did not like the charcaters/plot as much as several other series. But I did enjoy it. Ages 8-12, primarily for animal lovers.

This is an exciting and fascinating tale about the Connemara ponies in Ireland. We really enjoyed reading this book together and we will certainly look for more books in the Animal Ark series by Ben M. Baglio.

This story helps to bring to light the importance of protecting the wild horses from exploitation and tells a little bit about Ireland and the villages around Connemara. I like the mix of suspense and drama, with the historical background. And of course, our girls loved hearing about the ponies.

Connemara ponies in Ireland, who knew?

Goat Girl says

It's pretty good so far. Sean is WEIRD.

Rea says

I really enjoyed this whole series as a child. Back then I'd devour each of the books as soon as I could get my hands on them.

Ava says

For me it was one of the best books in the series!!!!!! I really enjoyed it!!!

Danielle Schutte says

Always enjoy the Animal Ark books. It helps kids learn how to treat animals without being all medically

confusing. Let's them know right from wrong when it comes to animals and how to fix a problem. This one got my attention because of the horse training and the wild horses.

Page 32-clue=Seans dad runs a riding stable-why=Seans dad might want it

Page 41-prediction=not Sean, but a horse stealer-clue=against the law to trap Connemera ponies-clue2=only outsiders would do it-why=to sell it and get lot's of money

Page 104-prediction=Mr. O'Rourke-clue=Sean does not seem to like him very much-why=Mr. O'Rourke might hate ponies

My favorite part was when Mr. O'Rourke and Mr. Malone were stopped because they were going to sell six ponies illegally. The worst part was when Connie was very hurt because of Mr. O'Rourke. My favorite character was Mandy. she was very nice to Connie and helped her with the help of her parents. The worst character was Mr. O'Rourke. He was very mean to put a to small rope halter on a wild pony. It hurt the pony and the cuts were almost infected. Auryyn 11 years old 2014
