Chocolate Filled Murder

Summer Prescott

Chocolate Filled Murder Summer Prescott

Missy & Chas are back with a new adventure! This is book 16 in the Frosted Love Cozy Mystery Series* After leaving Louisiana behind, Chas and Missy move to Florida and buy the memorable little bed and breakfast where they spent their honeymoon. But all is not well in the sunshine state. Strange disappearances and mysterious unexplained deaths begin to haunt the cozy little town until Detective Chas Beckett is called back into action to investigate. Meanwhile, Missy makes acquaintances with a widowed interior decorator not long after opening a tea room next to the bed and breakfast. Her story is almost as mystifying as the Detective's unsolved crimes. Are the two linked somehow?

Shannon Binegar-Foster says

Another great installment

This one surprised me as well. Several interesting twists in this one. I am excited to see what happens next.

Tere Fredericks says

Who Wouldn't Want A Chas?

Or a Missy? I missed a book, darn it, so the honeymoon was a surprise . . . as if! Chas buys Missy a cute but needing decorating. I never expected they would leave Louisiana. Parts of the mystery you'll see coming, others will make you gasp. And one luscious surprise at the end --can't miss any more books, have to see what happens!

Anne G. Kasaba says

Don't miss reading this book!

Although I had not read the rest of the books in this series, I was able to slide right into the characters personalities and the storyline of this series and loved it. A great cozy with kept me hooked from beginning to end. My only complaint..I wanted to keep reading but the end came too soon!

Michele bookloverforever says

missy' s New town is full of lust, deceit and murder....

Dawn says

This is a really fun little pick up from the last book. Though I didn't really like that the last book ended with a cliffhanger, but it worked well for this book. I enjoyed the beginning of the book where Chas and Missy were just living their lives without any murders. This book, Missy takes a back seat, however, we do get to follow Chas at work, which I really liked. It's a nice meld of cozy mystery and cop book.

There was a slight lack of consistency throughout the book. I noticed mistakes in the name of a character in the book, mainly the wrong last name. Also, the length of time between everything happening in the book. It just felt like it was on fast forward.

Overall it was still a really enjoyable book.

Rebecca Hollingsworth says

Florida...

The story is moving to the sunny state of Florida and the first from the sunshine state is a real pleaser!

Sharon Thrasher says

This one is good.

I thought I had read this one but I guess I didn't. It was well written and I like the new cast of characters. I love the new area and it was a great mystery.

Karen Wright says

This is the latest addition to the Frosted Love series. I probably say this every new book, but, this is my favorite one so far. Missy and Chas have gotten married and everything is going to drastically change. While on their honeymoon in Calgon, Florida, they learn the bed and breakfast is for sale. Missy decides she wants to go home early due to a death in the pool but that is just the beginning. it seems like it is going to be sad as Missy's life, and Chas' too, are drastically changing. her best friend has gone back to California and the couple that manage the bakeries have moved away with their baby. Chas had gone ahead and bought the B and B knowing Missy would decide she wanted it so she decides to close one and give Grayson the original bakery. thinking it's going to be quiet and slow paced in the small town they move to, is it any surprise when things don't go quite as smoothly as they expect? Of course there is a murder that turns into so much more. the characters are likable and the dialog is natural and smooth. it is a great story with plenty of twists and turns even though you may think you can predict what has happened. this book is full of surprises and was very enjoyable, I can't wait to see what happens in the next installment.

Amy says

I was completely shocked and disappointed with all the changes, but the author did an awesome job of keeping it all together and still enjoyable. I'm so happy for Chas and Missy

Kay (Brigidsmomma) Compton says

After a several month hiatus, I am really glad to see this series return! Missy and Chas have moved from Louisiana to Florida where they now own a B&B, Chas is working as a Detective, and Missy is working on opening a new tea and Cupcake shoppe. This time the mystery is about a missing teen whose father died suddenly of a heart attack just weeks prior to Missy and Chas's arrival. Chas is taking the place of the fallen father on the local police force. A good mystery and lots of new faces/characters to meet and learn to enjoy.

Donna says

Great Easy Read

I really liked this book. The characters were interesting and there was a lot going on. It was a quick read too. I'll definitely read more of these books.

Shannon says

I was so happy to be back in the world of Missy and Chas. The scenery has changed as has the cast of characters but Missy and Chas have not. I love that Missy has a fierce sense of right and wrong and is incredibly loyal and determined to make things right for the people she cares about. Chas wants everything to be right in Missy's world and, even though he is extremely rich, having a purpose in life is very important to him. I'm so glad that Summer brought them back and I hope they don't go away again!

Barbara Hawks says

Honeymoon is on the way to murder.

Wow so much is going on in this book 16 th book A frosted Love Cozy mystery. The honeymoon is on. Off to a bed and breakfast, when they find a dead person in the pool. They take off for Florida and find an other B&B to buy. All new people to meet and the fun begins. Love this series, can be read in an hour then off to bed with a smile on your face. Summer keep writing love these books.

Georgiann Hennelly says

Chas and Missy have moved to Florida from Louisiana. They now own a B&B Chas is working as a Detective and Missy is working on opening a new Tea & Cupcake Shoppe. The mystery involves the missing Teenage Son of Missy's Interior Decorator and son of the Detective who died of a Heart Attack just weeks before Chas and Missy's arrival. Chas has taken the dead Detectives place on the Force. And he is investigating the disappearance with a little help from Missy. A great story with a lot of twists and turns plenty of surprises to keep you in suspense.

Debby Long says

It has been a while since we have heard from these two characters but it was nice to have Missy and Chas back. I missed them. This is an easy cozy to curl up with on a quite afternoon. I'm ready for their next adventure.
