### Secrets of the South B.M. Hardin

Who are you pretending to be?

Savannah thought that running away from her past would change her life. And for about fifteen years, she was right. Until her happy marriage goes down the drain and she's left with no one but herself to blame. On a quest to become the world's next best-selling author, to find her voice, Savannah makes a difficult choice.

She has to run—again.

She quits her job and packs a bag. And then she sets out to find the inspiration that she's never had. Only she finds herself in the one place she never expected to be. Home—in the South; reminded of pain and secrecy. A sin is still a sin, even if no one knows. And a secret is still a secret even if no one told. Bonds are broken, truths are spoken, and no one around her can be trusted.

Who killed her mother?

Who is her father?

Who knows the truth about the small-town barber?

Savannah discovers that 'Southern Charm' is just for show. What really matters in the South are the lies you tell and the secrets you know!

#### **Secretly Sizzling**

I don't know where to begin. This book had so many twists...so many secrets. Just when one secret was revealed there was another and another. Nothing was predictable. This book was so deep and authentic it makes me wonder was some of from real life events. This book of secrets had me on the edge of my seat wanting more. I hope there is a sequel. It just has to be.

#### **Unbelievably Awesome!!!!!!!!!!!!**

As of right now, this book is a Standalone. But it leaves room for a second book. This story was definitely a page turner. I will be recommending this Book to All my friends. B.M. Hardin U definitely did your Thang!! This Author never disappoints. When She Releases a Book, I better clear my schedule...Lbvs!! Job Well Done, Queen ???

#### **Secrets of the South!!**

BM. Hardin does it again... I can truly say that no one book of hers is the same, the only thing you can bet on is having some jaw dropping moments and wanting to throw the book or whatever device you are reading on across the room as you yell WTF!!! She is the Queen of twist and turns and creating scenes and moments that are so twisted and out of the norm.. you literally never see her endings coming!! This book seemed so real, if you are from the South, you experienced one or two of the things that went on in this novel..

#### **Another great read!**

B.M. Hardin never disappoints. A true reflection of what goes on in the south. Never saw the ending coming, but it all made sense. 5 stars, 10/10 on a scale. All that, plus more, keep up the great work!!!!

This was a awesome book that had alot of juicy secrets. I have read book by BM Hardin and didn't even know it. This book was so good that I couldn't even put it down. Bm Hardin is a awesome author and has so

many wonderful awesome books and I'm glad that I got to read most. Secrets of the South is a must read and I'm sad that Savannah got raped. I don't understand how men can be so nasty and rape women. I'm read for more books by BM Hardin.

**Yass.. such an amazing and thrilling read!!!**

Ok B.M. sooo you didn't come to play and you wrote wrote Secrets of the South!! 2 bottles of wine and a bag of emotions later I'm sad it had to end. I felt like I was sitting in a movie theater watching a darn good movie! Seriously this is one of the best books I've read by far. It just draws you in immediately and captures your attention right up until the very end. Oh and the anticipation and the twists and turns were everything! Definitely a 5 star read and highly recommended to readers!!

**MIND BLOWN ????????**

This was definitely different from BM Hardin! But she surely did NOT disappoint!!!! These weren't JUST any secrets! Has me clutching my invisible pearls left and right!!! I had so much hope for Savannah and Jace! But that LAST secret just blew my mind! A MUST read! This is hands down one of the best books I've EVER read!!!

#### **City Of Lies**

This book had me on the edge of my seat! There were so many secrets going on , I couldn't keep keep track!! Savannah left South Carolina fifteen years ago after graduating from high school, little did she know the town she left has many secrets hidden in the dirt.

This book was well written i really enjoyed this story, Great Job B. M Hardin. I recommend this book.

### **Nicole says**

I have this thing I always say "I love me some goood books about the south and some family secrets!" And when I tell yall this book was EVERYTHING! It had my attention from the beginning. Poor girl! Everyone had a damn secret and boy did that make for a good read! I don't want to spoil it by saying too much but if you know B.M Hardin you know she's always on point.

## **Michelle Wright says**

### **Amazing**

This was an amazing drama filled story from a great author. Savannah comes back home after leaving without any explanation for many years. While back where her life was forever changed secrets begin to unfold amongst her family and family she didnt know about that changes her life even more. Will she be able to survive all the secrets of the South and what repercussions happen when they are revealed.

## **Charlotte Bembry says**

### **Another hit!**

BM Hardin never fails to bring on the hits. I was born and raised in the South and secrets are easily kept within families, but this book had so many twists, turns, lies and secrets that it had my head spinning. I was really surprised at the ending, but quite disappointed in the decision that Savannah made about her child. I thought that she and Jace would actually get back together. Great job with the suspense in this book.

### **New favorite**

I've said it before, but I have to reiterate....Ms. Hardin is just blessed with the pen. This book is my new favorite by this author. She so expertly conveys the essence of southern life with all its nuances and family allegiances and dysfunction, loyalties, lies and love. This book just touched my heart. It's cliché to say I didn't want it to end and as with all Ms. Hardin's books, I felt like I sat with my jaw dropped at the end and my head shaking and wondering how to review a book that speaks for itself. Everything about this book captivated me; first, the author, then the synopsis and that cover! It didn't end the way I wanted, but that's the beauty in a BM Hardin book - she always gives the unexpected. Did I mention she still managed to weave her signature twists and turns in this southern charmer? If you're a Hardin fan, I know you need no arm twisting to read this, but if you're not a fan, let this fast-paced, 'can't put down' read be your introduction!!!

## **Ellowyn says**

OMG this was a great read and page turner. This family had so many secrets it isn't funny. The author did a great job with writing this book.

### **The Dirty South!**

This story was so full of secrets and lies! Author B.M. Hardin outdid herself with this one. I was in edge til

the very end. And just when I thought I knew what was happening, I was thrown a curve ball! This storyline was awesome. Being from the South, I found many characteristics I could relate to. I was really rooting for Savannah and Jace! Have was such the southern gentleman. I didn't want this story to end! It had my emotions going. I wonder if we will have more from these characters in the future!?

Secrets of the South by B.M. Hardin  
(Thriller = 4/5 ??)

“Isn’t that how it goes? Someone you love is usually the one responsible for doing the unthinkable to you. Whether it’s physically or mentally. It doesn’t really matter. At some point in time...love always hurts.”

This was my first read by BM Hardin and I’ll admit I picked it up because of the beautiful cover, but the story was very good and engaging from beginning to end. The characters are very realistic and relatable.
