From the best-selling science fiction novels by David Weber comes the first-ever original comic story arc set in the Honorverse! Captain Honor Harrington and her alien tree cat Nimitz investigate her uncle's disappearance and are forced to fight for their lives in a Solarian space casino battle arena. Honor may be genetically enhanced, but when she's up against a super race bent on protecting their profitable slave business all bets are off.

Logan says

Very good! So this is a completely new story-line, unlike the previous series which was a retelling of one of the earlier books in the franchise. So Honor is asked by her mother to look into her uncles disappearance, which ties into her much needed vacation time! This issue was bit more light hearted compared to the serious tone of the other series! Overall a great issue!
