Dog lover enough said

Cute book of picture showing just the words dog lover mean. It was a little too short plus the ads didn't help. Still a fun read.

"Great Cartoons For Dog Lovers"

This booklet is one of many cartoon books of a series which starts: "You Know You Are" The cartoons are extremely well illustrated and funny, with great phrases. I love the one where the owner and dog share licks from an ice cream cone. Have you seen this done in real life? I have! Needless to say, if you really adore dogs, you'll get a kick out of these very creative cartoons. Check out the author's website: <http://www.YouKnowYouAreBooks.com>

Funny

We all love our dogs, and I found quite a few of the cartoons in this book that fit me and my dog. You will laugh at some too....

I found this free on amazon and as it is about dog lovers, I had to download it to take a look.

What I found was when I opened it was an okay collection of dog jokes, with rather good illustrations. Some of the panels are really very good, and I laughed out loud, but the quality of the humor is a little bit hit and miss, so some of it is just okay. At forty jokes, it is a little on the short side, but it is amusing.

Toooooooooooooo funny and oh so true!

I can see myself, my friends in these cartoons! Especially, the one about recognizing dogs before people!

Very quick read.

Cute cartoons, funny captions and oh so true situations. "Doesn't everyone love dog kisses"? Great gift idea for dog lovers everywhere.
