## **The Loss** Julie Plec

Family is power.

The Original vampire family swore it to each other a thousand years ago. They pledged to remain together always and forever. But even when you're immortal, promises are hard to keep.

After a hurricane destroyed their city, Klaus, Elijah and Rebekah Mikaelson have rebuilt New Orleans to even greater glory. The year is 1766. The witches live on the fringes in the bayou. The werewolves have fled. But still, Klaus isn't satisfied. He wants more. He wants power.

But when Klaus finally finds a witch who will perform a spell to give him what he desires most, she secretly uses Klaus to unleash a curse--one that brings back hundreds of her ancestors--and begins a war to reclaim New Orleans. As the siblings fight off the attack, only one thing's for certain--the result will be a bloodbath.

I thought this book would be better than the first, but it was exactly the same.

Consiglio questo libro esclusivamente a chi ama alla follia la serie tv e i personaggi, giusto per sapere più di loro, ovviamente è solo una grande commercialata

At the time when I read the first book in this trilogy, I was only semi interested in Klaus, Elijah and Rebekah Mikaelson. I had heard about the television series but had not watched it. Since then I have checked this show out and absolutely love it. I was hooked from the first episode. I think that Klaus, Elijah, and Rebekah all balance each other out very nicely. Even though they may be a very dysfunctional family, they truly do have each other's backs.

My favorite of the three Mikaelsons' has to be Klaus. Yes, he is the ultimate bad boy but I feel for him. I feel that he is misunderstood. Partly due to the fact that if he was to let his guard down, he would feel something and show that he might actually have a heart. Now, after reading this book I have a better understanding of just who Klaus is and why he has a wall up. If I had to compare Vivianne Lescheres to someone in the television series, I would say that she is a little bit like Camille. In the way that Camille has a little bit of a hold on Klaus. When she needs something, he does not think twice. Although, I did not only know Vivianne for a short while, I felt the love between she and Klaus. Fans of the television series will enjoy this book.

?ki kitab? pe? pe?e okuman?n hazz?n? ya?am?? biri olarak ikinci kitap ilkinden daha iyiydi diyerek yorumuma ba?l?yorum. Asl?nda 3. kitapta ç?ksaym?? iyi olurmu?, çünkü k?sac?k kitaplar pe? pe?e okundu?unda tam tad?na vara vara okunmu? gibi oluyor.

?lk kitapta tan?d???m?z, aile ili?kilerini ö?rendi?imizi, nas?l karakteristik özellikleri oldu?unu idrak etti?imiz Köken Vampiler'den Elijah, Klaus ve Rebekah bu kitapta da s?n?rlar? zorlayacak bir kurgu ile kar??m?zda... tam da vampir olmaya yak??acak bir ?ekilde :) bence ;)

The Originals Yükseli? tam da ilk kitab?n olmas? gerekti?i gibiydi belki ama bu kitapla k?yasland???nda baya bir duygunmu? diyebilirim. Bu kitap ilk sayfadan son sayfaya kadar hareketli ve nefes tutularak okunacak bir kurguya sahip :)

K?saca konusundan bahsetmeyece?im arka kapak bir fikir verebilir ama kitab?n i?erisi sizleri?in s?prizlerle dolu.

Klaus yine yapt? yapaca??n? ve a?k?n? ailesinden ?n planda tuttu ama... i?te o amalar... bazen kaybedilmi? kaybedilmi?tir bazen a?k?n ikinci ?ans? hak etmiyordur... Klaus bunu ?ok ac? bir ?ekilde ??rendi... o sayfalar? y?re?imi burktu...

Rebekah... bu kitapta onu ?ok daha iyi anlad?m ve Klaus'tan kul?be kenar?nda sahilde yedi?i darbe... bence affedilemeyecek kadar b?y?k, bir daha g?venilmeyecek kadar y?k?c?yd? ama yine de y?ce g?n?ll? bir kad?na yak??acak ?ekilde kar??l?k verdi. Asl?nda Rebekah'ın baz? s?zlerinde d???nmeden edemedim. Sen Eric'i ?ok sevmi?sin be kad?n... onu kar?s? ile gitti?i yerde mutlu oldu?unu d???nerek avunacak kadar ?ok sevmi?sin...

Elijah... sonunda onunda kalbini ?alacak bir kad?n var... o afeti devran? yak??t?rd?m Elijah'a. :) zaten bir g??l?l?, dimdik duran, programl? olan ve ailesi i?in her ?eyi g?ze alabilecek bir adama da daha az?n? d???nemezdim ;)

Tabi sadece vampirlerle s?n?rl? de?ildi. Cad?lar yapt?lar yapacaklar?n? ortal??? birbirine katt?lar... O sava? sahnesi... kalplerin s?k?lmesi, kanlar?n i?ilmesi, ?l?lerin dirilmesi... g?z?m?n ?n?nde canland?rmakla kalmad?m ya?ad?m gibi hissettim. Sava? sahnesi tam tatmin edecek kadar iyiydi.

Neyse ?ok uzatmayay?m. Ben bu kitab? ilkinden daha ?ok sevdim. Ger?ekten Aile G??t?r derken bunu g?sterdi. Biz T?rkler aile ba?lar?na ?nem veririz bilirsiniz, bunun ne kadar g?? getirdi?ini okumak da ayr? bir g?zeldi.

Vampir severler... cad? severler... olmad? kurtadamlar? severler... okuyun :) Hele de Vampir G?nl?kleri serisini takip ediyorsan?z ka??rmay?n ;)

5 Stars! Anything that ties into my favorite shows is an automatic 5 stars! Now to choose between These Broken Stars or Throne of Glass to start next!

This is a good tv show spin off read. If you like the show then read this series.

This book takes place 40 years after book one. Klaus is still mourning Vivienne and searching for a way to bring her back. A bad deal with a witch gives him what he wants, but at what cost? The living dead start terrorizing the vampires of New Orleans, and the witches are ready to fight for control of the city. Who will be victorious and who will pay the ultimate price?

Klaus can be obsessed with Vivienne all he wants, but we all know Klaroline is finally happening this season on the show! ♥?

MIGHT CONTAIN SPOILER !!!!!!!

I don't remember the last time reading a book with so much violence and heartbreaking moments like this one...

Once again, Julie Plec's viciousness continues to amaze. She definitely has a talent for some chaotic mayhem.

Here we could see how dangerous Klaus Mikaelson could be, If not so obnoxious for his siblings. But what keeps me hooked is the fact he always come back to his family, yes in a good way. Just like Rebekah, who always returns no matter how devastated she could be with Klaus being ... Klaus. And Elijah, of course always the ever good brother who needs to keep his deranged family in tact, every time.

But then, here comes the part when Klaus still found it so hard to move on from Vivianne and made it a mission to resurrect her from the dead. And Klaus always got what he wanted. But of course, there was a catch, as always.

Oh and the catch involved some flesh - ripping honeymoon and wars with zombie - like witches who ate heart. Oh and the werewolves were back and didn't want to be left out for the fun.

FOUR SUPERNATURAL WARS, PEOPLE !!! I don't remember being this tired just by reading book, AND THAT'S HOW you wrote an adult supernatural novel.

Damn the final one is still out of my reach -\_-

I enjoyed the first book much more, but maybe this will change with the third and last book :)

What can I say... it's been a long time since I've wrote a review. Mainly bc my real life is chaotic at the moment. All 3 of my babies started school so I've been a little depressed about that lol.

Anyways what can i say about this but FUCKING phenomenal!! I love Klaus Mickleson so much!! God what a bad ass! And his brother Elijah, mhmm he can talk poetry and non sense to me all day and night! Rebekah, fierce and unstoppable! Even with a bloody stake in her heart! This was so much better than the first one. I'm not a fan at all of the character Vivianne! The witches had their moment in the beginning with those morts-vivants! Blood thirsty dead witches almost like zombies! Except they only wanted the hearts of the living. Klaus married Vivianne against my wishes! I was cussing the book! Lol! There isn't really one moment in this book that stood out above the rest! This whole damn book is glorious!! Now on the Book 3!

Not to mention am a HUGE fan of the show!

Az önce bitti ve ben gayet güzel bitti?ini dü?ünüyorum. ?lk kitaba göre çok çok aksiyonlu ve heyecanlıyd?. Klaus'a zaman zaman sinir olsam da vazgeçmiyorum. En sevdi?im vampir serilerinden birisi oldu. En k?sa zamanda dizisinede ba?layaca??m.

Ki?iler gelir ve giderler. Önemli olan her zaman ailedir. Serinin ikinci kitab? olan "Dü?ü?"te ailenin önemini bir kez daha görüyoruz. Bu kitapta ba?lar?na ne gelirse gelsin, ne kadar büyük kavgalar ederlerse etsinler, Klaus, Rebekah ve Elijah her zaman ve sonsuza dek birbirlerinin yan?nda olacaklar?n? gösterdiler. ?#alwaysandforever

### **Melissa says**

This is a continuation of the previous book taking place about 40 years later. Old grudges surface and this becomes the crux of their problems... along with Klaus, of course. In the last book I thought that Klaus was a bit too optimistic for his character. However, in this book, the optimism has turned into something more selfish and narcissistic. Yep, the Klaus we know is in full form.

My only complaint is slight. This time it feels as if Elijah is more like Klaus in this book. He has always been the one to be able to think of others even if his blinders are huge for the family. He seemed a bit more self centered in this one. Not too badly but just not his sweet vampire self who can rip out your throat for looking at his family wrong. Okay, bad example, but fans of the show may know what I'm talking about. It was a minor thing however.

I give this book 3 1/2 stars. I enjoyed myself a bit more with this book and found myself easily seeing this as a flashback episode of the Originals. I recommend it to those who are fans of the show.

VG dizisini bir kere bile izlememi? olmama ra?men bu seriyi seviyorum gerçekten. ?lk kitap da çerez bir kitapt?, k?sa sürede okunup bitmi?ti. Dü?ü? de ayn? ?ekilde k?sa zamanda okundu, bitti. Seriyle ilgili pek

sevmedi?im tek bi ?ey var: kitaplar?n k?sa tutulmaya çal???lmas?ndan m?d?r nedir bilmiyorum ama, olaylar biraz ani geli?iyor gibime geliyor benim. Bir sayfada bütün dengeler alt üst olabiliyor. Bir anda birileri ölebiliyor vs... Bunun d???nda gayet güzel bir kitapt?. Dizisini izleyenler zaten okuma listelerine mutlaka almal? bu kitab? bence ama dizisini takip etmeyenlerin de rahatlıkla okuyabilece?i bir seri. Okuyun. Klaus için. Valla, okuyun.
