Okay this isn't the actual NEVERSAYNEVER book because I couldn't find it on here, so this is as close as I could get!

The book, 'NEVERSAYNEVER' by Justin Bieber is probably the most inspirational book ever! The book is about a young boy and his journey from just a regular kid in Canada to a worldwide star! It's amazing how far YouTube videos can take somebody! What I like about this book is how it's 100% real! Nothing's made up in it to make Justin Bieber seem like a better guy, his story has touched many people and once they've seen the movie they get Bieber fever! Which is incurable!!! What I didn't like about this book was nothing....it was an all around GREAT book and I recommend everyone should read it!
