The Frenchman's Revenge

Taylor Lee

The Frenchman's Revenge Taylor Lee

OVERVIEW

- A Chinese Tong leader his enemies call the Frenchman?
- A fiery red-haired beauty even the Frenchman can't control?
- Is there anyone as violently ruthless as the mob?

Meet the Frenchman.

BE WARNED: The language is rough, the sex explicit, and the violence is fierce.

Polly says

again - close your eyes steamy

Rose Nickol says

Great read

Every time I read these books im.enthralled. The wonderful story, the hot sex. It's a grand adventure. I highly re.

Pam H says

Bai pursues the mob and others responsible for the treatment of the young Chinese girls that have been thrown into prostitution. He enlists the help of Wyatt and his father as well as aligning himself with foes of the mob.

With the impending wedding of Bai and Elena, Alex returns from China, not believing that Wyatt is allowing the match. Alex's jealousy over the relationship rears its ugly head several times and shows how immature he is. Bai is a hardass but puts up with Alex trying to draw him into the circle that is such a large part of his family's way of life.

Elena continues her antics, much like Lei did in their book, but Bai like Wyatt has his way of getting her back in line. The sex is frequent and intense - that hasn't changed. Elena is in school and it would be relevant for that to be included on a larger scale.

Bai is continues to be arrogant, controlling and hot.
this is my favorite of the 4 books thus far.

Tammy Wight says

It's a good story. It has graphic scenes of both sex and violence. I have read one of the previous in this series. It would be better if the graphic scenes were not so overly drawn out. If not into graphic sex or violence - DO NOT READ.

Dorothy Basnight says

My favorite!

Lorraine Lesar says

Nothing like a bit of brutal revenge to make your point and Bai did it in style!Loved it.

Rebecca says

Just terrible. Perhaps I would have hated it less if I were more familiar with the first 3 books in the series. Perhaps not. I found the characters two-dimensional and their plight uninteresting, I think I'll pass on the rest of the series.

S.M. Johnson says

I struggled with the choppy writing in The Frenchman's Woman, but I found The Frenchman's Revenge a much easier story to fall into. The sentence structure is still oddly simple, but it does work in this story.

This is not really a BDSM story, but more a typical hot Dominant male/submissive-but-feisty-most-beautiful-female-in-the-land sort of story. Sometimes these qualities are mentioned so many times it's a little bit aggravating - but - it is a fantasy story, so I shall forgive.

As erotica, I would probably give it 2 1/2 to 3 stars. But the revenge aspect of the story, the plotting, and the evil, evil villains bumped it up. We're talking John Wayne to the max, folks, but rather than cowboys and Indians, it's the Mob versus the Chinese, a rivalry that I had not been familiar with and found fascinating.
