### **Ido says**

1.5

Before I start I have to say I have no idea why it is 1. Something.

It's just not clear.

I have two things to say about this chapter (besides being boring and unnecessary):

- 1) I read it in Halloween so it's pretty communicative, why? That's the second thing
- 2) Why is it about resurrection? Come on, just why.

The end is perhaps the only thing that may be interesting, and it is not all interesting, and it is only one whip. After all, there were parts (really quite a bit) that I loved and I loved the art.

### **Terence says**

A man was killed and buried...

then he climbed from his grave and is alive again.

I have no idea where this story is heading. A man is killed and buried then comes back to life. The coroner says that if he wasn't dead when he came in that she definitely killed him. Spider-Man is swinging around because this is his story. The only hint of something supernatural is that there was a witch doctor involved. Amazing Spider-Man #1.1 was OK, perhaps it will improve with further issues.
